4. Signature (text accepted)		
<i>Acceptance of Building Wildlife Trust Terms</i>		
<p><i>We/I wish to confirm acceptance of Building Wildlife's terms and conditions in respect of the use and allocations of commuted sums. I/We understand that funding may be used for, but not necessarily limited to payments for habitat creation, enhancement and management; land purchase; scientific and other research; conservation planning and administration. Building Wildlife aims to focus, and whenever possible target the allocation of financial resources that align with or support the implementation of national and local conservation or nature partnership plan(s). It will also aim to target actions within any proposed or target parameters. If third party funding proposals are not received within 12 months of funding becoming available, Building Wildlife reserves the allocate funds to other projects in accordance with any the provisions of any relevant plans.</i></p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>
